Colonel Gray High School
Pre-Registration for Grade 10, 2023-2024
INTERMEDIATE SCHOOL COPY to prepare for MY BLUEPRINT input

Date: _____   **Name**: _____

GRADE 9 SCHOOL: _____   **HOME ROOM IN GRADE 9**: _____

Course Selection Instructions:

You must select a total of 8 courses. Indicate your elective or **optional** preferences in the "IF NOT THEN" section by choosing 2 alternate courses and on MyBlueprint. Make sure your selection is appropriate to your abilities and recommendation of your Grade 9 teachers.

Your Grade 10 schedule is created (and teachers are hired for courses) based upon your **selections now in MyBlueprint**. Every effort is made to provide a schedule that allows students to take courses of their choice. The "alternate course" choices may be used to complete the list of eight courses if scheduling conflicts are encountered in PowerSchool. This happens if courses are not offered because of insufficient enrolment or if the enrolment in a course is too large. It is **very important** for students to take serious consideration into the two alternate course selections. When a student registers for a course, the school considers this choice a commitment to be honored with regular attendance and completion of the course. **If a student does not submit a registration, selections will be made on their behalf.**

Compulsory courses:

Choice	Code	Program
ENGLISH COURSES: 1 course at 400 level (or 701EAL if required)		
	EAL701A	EAL Beginning/Introduction Level
	EAL701B	EAL Beginning/Introduction Level
